1. Letter from Regional Chapter, Davanagere

The representatives Sri.R.Thippeswamy and Sri.Revanasiddappa requested to treat the loan of Rs.2.5 lakhs as grants. Sri.Made Gowda, member supported the request. The Secretary stated the subject has already been discussed at length in the previous AGM and in the Managing Committee and stated that a sufficient time will be given to repay the amount without any interest.

Sri. H.S. Krishnamurthy from Mysuru with his experience explained and stated that there should be a clear cut policy on this issue by the Institution. There should not be repeated requests, precedence etc. by the Regional Chapters one after another and requests for the waiving off of the loan later to be avoided and provision in the proposed budget be indicated clearly for the Regional Chapter programmes.

With the above discussions the Regional Chapter, Davanagere was permitted to repay the loan in a phased manner.

2. Letters from Bagalkote, Belagavi, Vijayapura, Bellary, Bidar and Shivamogga Regional Chapters.

Representatives from the above chapters stated that election process to be revised giving way for atleast 4 revenue divisions to contest the elections to the Managing Committee and or the elections to be held there itself to elect their members to Managing Committee at Bengaluru so that the Managing Committee represents all over the state.

The President stated that already co-opted members from different Regional Chapters are there and such things needs time, procedure and amendment of bye-law. He also stated that provision of postal ballot voting facility is already in the use.

Members have also suggested for adopting digital voting.

The President stated further that a sub-committee under the Chairmanship of Dr.M.A.Shankar has been formed to look into this issue. The committee is working out the details. Dr.M.A.Shankar stated that sufficient time is involved in the process and needs a detailed thinking in the matter.

9. Any other subjects with the permission of the chair.

The Secretary informed that the building on the Queen's road side has been given on rent after observing all the formalities to M/s.St.Xaviers Educational and Charitable Trust, an educational Institution. Later on due to prevailing epidemic and time to time conditions imposed by the government as they could not start and run the college, concessions waiving off rent etc. also has been given. They have sent a legal letter/notice that they have already spent sufficient amount to build up their specifically needed infrastructure facilities and wanted concession/ waiving of rent etc.

The Secretary apprised for the year 2020-21, IAT has waived off the rent for the months of April-May 2020 due to Covid-19 lockdown situation and accepted rent of 50% for the months from June 2020 to March 2021 extending a total concession rent of Rs.21.00 lakhs and no interest levied on the delayed payment. Same was noted and action taken by the Managing Committee was approved by the AGM.

After a brief discussion and participation by a few members, the General Body authorized the Managing Committee to immediately proceed as per mutually accepted rent agreement and according to the byelaw which is very clear that the Managing Committee itself can take further action in the matter in the best interest of the IAT, Bengaluru. The General Body resolved that the Tenant should pay the rent as per Agreement and Managing Committee may initiate action as deemed fit in the existing situation.
